STASSEN BULB

SALES PLAN

**MORE ECONOMICAL, MORE EFFICIENT AND
MORE CONVENIENT THAN EVER BEFORE**

EACH year, more and more progressive dealers become steady purchasers of GENUINE HOLLAND BULBS through the STASSEN BULB SALES PLAN. Why? Because it is the simplest, most convenient and most profitable method . . . you require only the smallest possible overhead, eliminating left over stock . . . because you are sure of good profits and better yet FULL PROFITS not dissipated by time, waste, or expenses.

You distribute to your customers a four-color, six-page catalog bearing your name only. If you wish, you stock a reasonable supply of bulbs sufficient for your customers' convenience and over the counter sales—at more liberal discounts. You tell us to ship individual orders direct to your customers under your name and label.

✓ Your Own Spring 1954 Catalog in Full Color

This sales-making catalog (SAMPLE HEREWITH) is finely illustrated in true color. Every Dahlia, Glad, Lily, Begonia and other Summer Flowering Bulbs are proven best sellers—many new in '54. The many "specially priced collections" will increase unit sales per customer and in turn invite future orders because of the quality and value of the bulbs offered.

Even dealers who have never stocked Summer Flowering Bulbs to any degree will find sales unusually profitable without risk or experience.

CATALOG PRICES

IMPRINTED WITH YOUR NAME AND ADDRESS

\$52.50 per 1,000 Copies

\$29.00 for 500 Copies

(WITHOUT IMPRINT \$5.75 per 100 Copies)

✓ Liberal Discounts on Bulbs Ordered Direct — Your Discount Now 50%

On the next TWO PAGES are listed the varieties shown in the catalog. The first column shows the retail price per 100 (the price your customer would pay in this

quantity—higher by the dozen) and the second column shows wholesale prices per 100 representing a discount of 50% F.O.B., Roslyn Heights, New York.

SUPPLY OF BULBS

You can draw your requirements as you need them throughout SPRING BUYING MONTHS. Your orders are shipped promptly even at the very height of season. All varieties in Collections are separately packed and labeled.

✓ Shipments Direct to Your Customers Under Your Own Label — Your Discount Is 40%. We Pay All Wrapping and Transportation Charges.

The use of the new Catalog has made it possible for dealers, in most cases, to fill bulb orders without even having to stock the bulbs. When an order from the catalog is received by mail, phone, or in person, the dealer merely sends a copy of the order with his label containing customer's name and address to STASSEN, who packs 'em, and pays the postage, under YOUR LABEL, direct to customer, no matter how large or small the order; and bills you 40% off the retail prices listed in your catalog. STASSEN pays all shipping charges including increased rates.

Could anything be easier or more clean-cut? No risks, no stock, no bother!

When Stassen ships direct for you, complete planting instructions are included with every order to your customer.

✓ PRE-PACKAGED BULBS FOR FAST SELF-SERVICE SALES

Stassen offers TOP QUALITY GLADS IN MESH BAGS in mixed selections; and GLADS, and DAHLIA Varieties BY COLOR, IN SPECIAL AIRIATED POLYETHYLENE BAGS for self-service, and over-the-counter sales. You save counting, packing, clerk's time and needless handling of stock. All popular quantities, all first quality bulbs. Order a supply of Prepackaged Bulbs — they sell on sight, for fast turnover.
